Volunteers are the core of all the activities at the Wheels O' Time Museum.

Do you have some time to spare and help the museum and your community – all while working alongside a dedicated but fun-loving group?

Do you need to complete service hours for high school or college?

- If you would like to know more about current volunteering opportunities, join us for an informative session on Saturday April 20th at 11am.
- Previous and prospective receptionists are encouraged to attend a training session on the use of the Square cash register and admission procedures on Saturday April 20th at noon.

Your time is valuable, we appreciate the importance of finding a good fit as you consider a volunteer commitment. Some of our volunteer tasks are great for couples or pairs of friends.

Many volunteers are needed as receptionists/cashiers and hosts during our open season from May to October. We will be thankful for any time you can donate to the museum whether it is a commitment to a recurring schedule, or a few sporadic hours.

Available volunteer opportunities during our season include receptionist, building hosts, tour guides for field trips or adult groups, computer data entry, documentation and other computer tasks, website maintenance, social media, librarian, special event crew member, groundskeeping, gardening, artifact maintenance, and many more. No specific background is necessary - we will help you learn everything you need to know in your volunteer role.

If you would like to learn more about upcoming volunteer opportunities and future volunteer sessions, please call us at 309-243-9020 or email: info@wheelsotime.org
